Eugene, Oregon / 1.541.232.3749 / chase.stowell@icloud.com / chasestowell.twoeighty.net

Experience

THREAT ANALYSIS, COMMUNICATION

Security Analyst; Swan Island Networks (2018-): Analyzed and published relevant current events to Swan Island's proprietary Global Threat feed. Developed common operating pictures for viewing emerging stories in cities.

RESEARCH, WRITING, AND DATA ENTRY

Policy Research Internship; A Family For Every Child (2018-): Developed a database featuring thousands of employers in Oregon to compare financial reimbursement and paid leave offered to employees in the adoption process.

Collaborative Research; Linfield Political Science Department (2017-2018): Contributed to Professor Nicholas Buccola's upcoming book on James Baldwin and William F. Buckley. Fact-checked and edited manuscripts in addition to providing memos on historical events.

Collaborative Research; Linfield History Department (2014-2015): Contributed to Professor Peter Buckingham's research on James Connolly and socialism in America, providing memos on historical figures within the socialist movement.

Webmaster; Linfield Political Science Department (2016-2018): Maintained and updated the Linfield [Political Science](#) and [International Relations](#) websites.

EVENT ORGANIZATION AND PROMOTION

Fellow; Linfield Program For Liberal Arts And Civic Engagement [PLACE] (2017-2018): Organized and publicized events, including civic engagement events with the elderly community and discussions with notable thinkers like Jonathan Rauch, as well as maintaining the [PLACE website](#) and calendar.

TEAMWORK AND MANUAL LABOR

Summer Employee; Lane County Public Works (2015-2016): Performed fire-prevention for mowing crews, ran elements of the paving machine on resurfacing projects.
